In addition, any payment for Manufacturing Materials accepted by Buyer and for the protection and preservation of property shall be at a price determined in accordance with the "Termination for Convenience" article of this Contract, except that Seller shall not be entitled to profit. Buyer may withhold from any amount due under this Contract any sum Buyer determines to be necessary to protect Buyer or Buyer's customer against loss because of outstanding liens or claims of former lien holders.
- e. If, after cancellation, it is determined that Seller was not in default, the rights and remedies of the Parties shall be as if the Contract had been terminated according to the "Termination for Convenience" article of this Contract.

21. Remedies

Any failures, delays or forbearances of either Party in insisting upon or enforcing any provisions of this Contract, or in exercising any rights or remedies under this Contract, shall not be construed as a waiver or relinquishment of any such provisions, rights or remedies; rather, the same shall remain in full force and effect. Except as otherwise limited in this Contract, the rights and remedies set forth herein are cumulative and in addition to any other rights or remedies that the Parties may have at law or in equity. Seller acknowledges and agrees that money damages would not be an adequate remedy for any actual, anticipatory or threatened breach of this Contract by Seller with respect to its delivery of the Goods to Buyer.

22. Disputes

The parties agree to make every effort to resolve disputes through communication amongst the parties. The following steps shall be taken to resolve any disputes: (1) oral communication between the parties; then (2) the aggrieved party shall notify the other party in writing as to the dispute with 30 days to resolve; if not resolved then (3) either party may seek redress in any court of competent jurisdiction. Pending final resolution of any dispute, Seller shall proceed with performance of this contract according to Buyer's instructions so long as Buyer continues to pay amounts not in dispute. Notwithstanding the foregoing, this Article shall not prohibit either Party from instituting litigation to preserve any statutory rights or seeking an injunction to prevent a breach or violation of a Party's rights under Article 17, Confidentiality.

23. Buyer's Employees

For the term of this Agreement and 12 months following its expiration or termination, Supplier shall not employ or retain as an independent contractor any employee of Insitu without Insitu's consent.

24. Buyer's Property

Seller shall clearly mark, maintain an inventory of, and keep segregated or identifiable all of Buyer's property and all property to which Buyer acquires an interest by virtue of this Contract. Buyer may require that a Bonded Stores Agreement be executed between the parties. Seller assumes all risk of loss, destruction, or damage of such property while in Seller's possession, custody, or control, including any transfer to Seller's subcontractors. Upon request, Seller shall

General Provision for Purchase Orders (GP-PO)

provide Buyer with an inventory of the property and adequate proof of insurance against such risk of loss. Seller shall not use such property other than in performance of this Contract without Buyer's prior written consent. Seller shall notify Buyer's Authorized Procurement Representative if Buyer's property is lost, damaged, or destroyed. As directed by Buyer, upon completion, termination, or cancellation of this Contract, Seller shall deliver such property, to the extent not incorporated in delivered Goods, to Buyer in good condition subject to ordinary wear and tear and normal manufacturing losses. Nothing in this article limits Seller's use, in its direct contracts with the Government, of property in which the Government has an interest.

25. Financial Records & Audit

Seller shall retain all records and documents pertaining to the Goods for a period of no less than three years after final payment. Such records and documents shall date back to the time this Contract was issued and shall include without limitation, catalogs, price lists, invoices, and inventory records for purposes of verification of prices or rates charged by seller for Goods procured by Buyer. Buyer shall have the right to examine, reproduce, and audit all such records related to pricing and performance to evaluate the accuracy, completeness, and currency of cost and pricing data submitted with Seller's bid or offer to sell.

26. Force Majeure

Seller shall not be liable for excess re-procurement costs pursuant to the "Cancellation for Default" article of this Contract incurred by Buyer because of any failure to perform this Contract under its terms if the failure arises from causes beyond the control and without the fault or negligence of Seller. Examples of these causes are: (a) acts of God or of the public enemy; (b) acts of the Government in either its sovereign or contractual capacity; (c) fires; (d) floods; (e) epidemics; (f) quarantine restrictions; (g) strikes; (h) freight embargoes; and (i) unusually severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of Seller. If the Seller's failure is caused by the failure of a subcontractor of Seller and if such failure arises out of causes beyond the reasonable control of both, and if such failure is without the fault or negligence of either, Seller shall not be liable for excess re-procurement costs unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Seller to meet the required delivery schedules. Seller shall notify Buyer in writing within ten (10) days after the beginning of any such cause(s). In all cases, Seller shall use reasonable efforts to avoid or minimize all such failures, including exercising work-around plans or obtaining the Goods from other sources; otherwise Seller shall be liable for excess re-procurement costs.

27. Severability

If any provision of this Contract shall be deemed to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

28. Assignment & Delegation

Seller shall not assign (whether voluntary, involuntary, by merger, change of control, consolidation, dissolution, operation of law, transfer, or any other manner) any of its rights or interest in this Contract or subcontract for all or substantially all of its performance of this Contract, without Buyer's prior written consent. Seller shall not delegate any of its duties or obligations under this Contract. Buyer's prior written consent is required as a condition of the Seller's right to change control or merge or assign, delegate, convey, or transfer any of its rights, interest, performance, duties, or obligations under the Contract. Seller may assign its right to monies due or to become due. Any attempt to assign or delegate in violation of this article is void.

General Provision for Purchase Orders (GP-PO)

No assignment, delegation or subcontracting by Seller, with or without Buyer's consent, shall relieve Seller of any of its obligations under this Contract or prejudice any of Buyer's rights against Seller whether arising before or after the date of any assignment. This article does not limit Seller's ability to purchase standard commercial supplies or raw materials.

29. Nonexclusive Contract

This is not an exclusive Contract. Buyer is free to engage others to provide Goods or services the same as or similar to Seller's. Seller is free to, and is encouraged to, advertise, offer, and provide Seller's standard Goods or services to others; provided however, that Seller does not breach this Contract.

30. Notices

Except for Purchase Orders which may be sent by local mail, facsimile transmission, or electronically transmitted, all notices, and other communications hereunder shall be in writing, and shall be addressed to Seller or to an authorized Buyer representative, and shall be considered given when (a) delivered personally, (b) sent by email or facsimile, (c) sent by commercial overnight courier with written verification receipt, or (d) ten (10) days after having been sent, postage prepaid, by first class or certified mail.

33. Compliance with Laws

Seller shall comply fully with all applicable federal, state, and local laws in the performance of this Contract including, but not limited to, all applicable employment, tax, export control, and environmental laws. Upon Buyer's request, Seller will promptly provide Buyer with a statement of origin for all Goods and United States Customs documentation for Goods wholly or partially manufactured outside of the United States.

34. Compliance with Government Flow-down Clauses

- b. Seller agrees to use reasonable efforts to identify the foreign content of goods that Seller either produces itself or procures from subcontractors for work directly related to this Contract. Promptly after selection of a non-U.S. subcontractor for work under this Contract, Seller shall notify Buyer of the name, address, subcontract point of contact (including telephone number and email address), and dollar value of the subcontract.

- b. Qualified anti-terrorism technology," "act of terrorism," and "loss" are defined in 6 U.S.C. §444.
- c. Include the substance of this clause, including this paragraph (c), in all Contracts, purchase orders (PO), or Subcontracts or PO's with a contractor, subcontractor, supplier, vendor, customer, or contractor and subcontractor of a customer. In accordance with FAR 50.205-1 (Safety Act Considerations 2007), the U.S. Government is not a "customer" from which a contractor must request a reciprocal waiver of claims.

37. Suspension of Work

- a. Buyer's Authorized Procurement Representative may, by written order, suspend all or part of the work to be performed under this Contract for a period of 100 days. Within such period of any suspension of work, Buyer shall (i) cancel the suspension of work order; (ii) terminate this Contract in accordance with the "Termination for Convenience" article of this Contract; or (iii) extend the stop work period.
- b. Seller shall resume work whenever a suspension is canceled. Buyer and Seller shall negotiate an equitable adjustment in the price or schedule or both if (i) this Contract is not canceled or terminated; (ii) the suspension results in a change in Seller's cost of performance or ability to meet the Contract delivery schedule; and (iii) Seller submits a claim for adjustment within 20 days after the suspension is canceled.

38. Publicity

Seller shall implement the intent of this paragraph in its business operations and at all of its sub-tier Suppliers as follows:
