

Taylor Halverson

Director, Corporate Governance & Compliance

M.B.A. Information Technology, University of Washington

B.A. Business Administration-Finance, University of Washington

Taylor Halverson is Director of Corporate Governance and Compliance for Insitu. In this role, he leads our various teams supporting environment, health, and safety; security; international trade compliance; governance; enterprise risk management; and business transformation. Taylor joined Insitu in 2013 to lead our Trade Compliance team focused on shaping export regulatory policy and enabling compliant international business.

Prior to joining Insitu, Taylor worked for The Boeing Company in their Arlington, VA office as Manager of Global Trade Controls. In this role, he led the team responsible for managing trade compliance and performing audits and assessments across the enterprise.

Taylor began his career with The Boeing Company in Seattle, WA, and held multiple positions with increasing levels of responsibility.

Taylor received his B.A. in Business Finance and his M.B.A. in Information Technology from the University of Washington.
