Buyer shall modify this Contract in writing accordingly. Seller must assert any claim for adjustment to Buyer's Authorized Procurement Representative, in writing, within 15 calendar days and deliver a fully supported proposal to same within 60 calendar days. Seller has the burden to support the amount of Seller's claim for equitable adjustment. Further, Buyer shall have the right to verify the amount of Seller's claim in accordance with the Financial Records and Audit Article of this contract. - c. If Seller considers that Buyer's direction constitutes a change outside of the general scope of this Contract, Seller shall notify Buyer's Authorized Procurement Representative immediately in writing as to the nature of such conduct and its effect upon Seller's performance. Pending direction from Buyer's Authorized Procurement Representative, Seller shall take no action to implement any such change.

15. **Indemnification, Insurance, Protection of Property, & Evidence of Citizenship** The following provisions shall only apply if and to the extent Seller's personnel enter or perform work at premises owned or controlled by Buyer or Buyer's customer:

The foregoing indemnity shall apply only to the extent of the negligence or willful misconduct of Seller, any subcontractor thereof or their respective employees that occurs while Seller is on a premises owned or controlled by Buyer. In no event shall Seller's obligations hereunder be limited to the extent of any insurance available to or provided by Seller or any subcontractor thereof. Such certificates shall be kept current and in compliance throughout the period when work is being performed and until final acceptance by Buyer, and shall provide for 30 days advance written notice to Buyer in the event of cancellation. Failure of Seller or any subcontractor thereof to furnish certificates of insurance, or to procure and maintain the insurance required herein or failure of Buyer to request such certificates, endorsements or other proof of coverage shall not constitute a waiver of Seller's or subcontractor's obligations hereunder.
- f. **Self-Assumption.** Any self-insured retention, deductibles and exclusions in coverage in the policies required under this article shall be assumed by, for the account of and at the sole risk of Seller or the subcontractor which provides the insurance and to the extent applicable shall be paid by such Seller or subcontractor. At all times Seller shall, and ensure that any subcontractor thereof shall, use suitable precautions to prevent damage to Buyer's property. If any such property is damaged by the fault or negligence of Seller or any subcontractor thereof, Seller shall, at no cost to Buyer, promptly and equitably reimburse Buyer for such damage or repair or otherwise make good such property to Buyer's satisfaction. If Seller fails to do so, Buyer may do so and recover from Seller the cost thereof.
16. **Intellectual Property Indemnity.** Seller will indemnify, defend and hold harmless Buyer and its customer from all claims, suits, actions, awards (including, but not limited to, awards based on intentional infringement of patents known at the time of such infringement, exceeding actual damages and/or including attorneys' fees and/or costs), liabilities, damages, costs and attorneys' fees related to the actual or alleged infringement of any United States or foreign intellectual property right (including, but not limited to, any right in a patent, copyright, industrial design or semiconductor mask work, or based on misappropriation or wrongful use of information or documents) and arising out of the manufacture, sale or use of Goods by either Buyer or its customer. Buyer and/or its customer will duly notify Seller of any such claim, suit, or action. Seller will, at its own expense, fully defend such claim, suit, or action on behalf of the indemnities. Seller will have no obligation under this article with regard to any infringement arising from
- a. the compliance of Seller's new product design with formal specifications issued by Buyer where infringement could not be avoided in complying with such specifications or
 - b. use or sale of Goods for other than their intended application in combination with other items when such infringement would not have occurred from the use or sale of those Goods solely for the purpose for which they were designed or sold by Seller. - c. Upon Buyer's request at any time, and in any event upon the completion, termination or cancellation of this Contract, Seller shall return to Buyer all of Buyer's Proprietary Information and Materials and all materials derived there from, unless specifically directed otherwise in writing by Buyer. Seller shall not, without the prior written authorization of Buyer,

Prior to disposing of such parts or other materials as scrap, Seller shall render them unusable. Buyer shall have the right to audit Seller's compliance with this article.
 - d. Seller may disclose Proprietary Information and Materials of Buyer to its subcontractors as required for the performance of this Contract, provided that each such subcontractor first agrees in writing to the same obligations imposed upon Seller under this article relating to Proprietary Information and Material. Seller shall be liable to Buyer for any breach of such obligation by such subcontractor.

Further, Seller shall not be paid, and in no event shall Buyer be obligated to pay, lost or anticipated profits or unabsorbed indirect costs or overhead. In no event shall Buyer be obligated to pay Seller any amount in excess of the Contract price. The provisions of this Article shall not limit or affect the right of Buyer to cancel this Contract for default. Seller shall continue all work not terminated.
- b. Where the Parties have agreed to Seller's lead time for the procurement of materials and delivery of Goods under this Contract, in no event shall the Seller be entitled to recover any costs, lost profits, or damages of any kind for materials purchased, Goods delivered, or for work performed that occurs after the agreed delivery date where an extension has not been approved by Buyer's Authorized Procurement Representative or after Seller's receipt of Buyer's notice of termination for convenience specifying the effective date of such termination. Notwithstanding the foregoing, this clause does not operate as a waiver of Seller's right to submit a claim for termination inventory purchased for this Contract arising from a Termination for Convenience that occurs prior to the agreed Delivery date.
- c. Buyer may terminate performance of work under this Contract in whole or, from time to time, in part if the Buyer determines that a termination is in the Buyer's interest. The Buyer shall terminate by delivering to the Seller a Notice of Termination specifying the extent of termination and the effective date.

 - 2) Place no further subcontracts or orders (referred to as subcontracts in this clause) for materials, services, or facilities, except as necessary to complete the continued portion of the Contract.
 - 3) Terminate all subcontracts to the extent they relate to the work terminated.

- 4) Assign to the Buyer, as directed by the Buyer, all right, title, and interest of the Seller under the subcontracts terminated, in which case the Buyer shall have the right to settle or to pay any termination settlement proposal arising out of those terminations.
- 5) With approval or ratification to the extent required by the Buyer, settle all outstanding liabilities and termination settlement proposals arising from the termination of subcontracts; the approval or ratification will be final for purposes of this clause.
- 6) As directed by the Buyer, transfer title and deliver to the Buyer:
 - i. The fabricated or un-fabricated parts, work in process, completed work, supplies, and other material produced or acquired for the work terminated; and
 - ii. The completed or partially completed plans, drawings, information, and other property that, if the Contract had been completed, would be required to be furnished to the Buyer.
- 7) Complete performance of the work not terminated.
- 8) Take any action that may be necessary, or that the Buyer may direct, for the protection and preservation of the property related to this Contract that is in the possession of the Seller and in which the Buyer has or may acquire an interest.
- 9) Use its best efforts to sell, as directed or authorized by the Buyer, any property of the types referred to in subparagraph (b)(6) of this clause; provided, however,
 - i. is not required to extend credit to any purchaser; and
 - ii. may acquire the property under the conditions prescribed by, and at prices approved by, the Buyer.
- e. The proceeds of any transfer or disposition will be applied to reduce any payments to be made by the Buyer under this Contract, credited to the price or cost of the work, or paid in any other manner directed by the Buyer.
- f. The Seller shall submit complete termination inventory schedules no later than 30 days from the effective date of termination, unless extended in writing by the Buyer upon written request of the Seller within this 30-day period.
- g. After termination, the Seller shall submit a final termination settlement proposal to the Buyer in the form and with the certification prescribed by the Buyer. The Seller shall submit the proposal promptly, but no later than 6 months from the effective date of termination, unless extended in writing by the Buyer upon written request of the Seller within this 6 month period. However, if the Buyer determines that the facts justify it, a termination settlement proposal may be received and acted on after 6 months or any extension. If the Seller fails to submit the proposal within the time allowed, the Buyer may determine, on the basis of information available, the amount, if any, due the Seller because of the termination and shall pay the amount determined.
- h. Subject to paragraph (d) of this clause, the Seller and the Buyer may agree upon the whole or any part of the amount to be paid or remaining to be paid because of the termination. The amount may include a reasonable allowance for profit on work done. However, the agreed amount may not exceed the total Contract price as reduced by

- i. the amount of payments previously made; and
- ii. the Contract price of work not terminated.
- i. The cost principles and procedures of Part 31 of the Federal Acquisition Regulation, in effect on the date of this Contract, shall govern all costs claimed, agreed to, or determined under this clause.
- j. In arriving at the amount due the Seller under this clause, there shall be deducted --
 - i. All un-liquidated advance or other payments to the Seller under the terminated portion of this Contract;
 - ii. Any claim which the Buyer has against the Seller under this Contract; and

- k. If the termination is partial, the Seller may file a proposal with the Buyer for an equitable adjustment of the price(s) of the continued portion of the Contract. The Buyer shall make any equitable adjustment agreed upon. Any proposal by the Seller for an equitable adjustment under this clause shall be requested within 30 days from the effective date of termination unless extended in writing by the Buyer.
- l. The Buyer may, under the terms and conditions it prescribes, make partial payments and payments against costs incurred by the Seller for the terminated portion of the Contract, if the Buyer believes the total of these payments will not exceed the amount to which the Seller will be entitled.
- m. Unless otherwise provided in this Contract or by statute, the Seller shall maintain all records and documents relating to the terminated portion of this Contract for 4 years after final settlement. This includes all books and other evidence bearing on the Seller's costs and expenses under this Contract.
- n. Unless specifically authorized in writing by Buyer's Authorized Procurement Representative, Seller agrees that its purchase of materials or performance of work in support of this Contract beyond the agreed lead time schedule specified in a purchase order, will be at Seller's exclusive risk and shall not be included in any claim under a Termination for Convenience.

21. Cure & Default

- a. Buyer may, by written notice to Seller, cancel all or part of this Contract: (i) if Seller fails to deliver the Goods within the time specified by this Contract or any written extension; (ii) if Seller fails to perform any other provision of this Contract or fails to make progress, so as to endanger performance of this Contract, and, in either of these two circumstances, within ten (10) days after receipt of notice from Buyer specifying the failure, does not cure the failure or provide Buyer with a written detailed plan adequate to cure the failure if such failure reasonably cannot be cured within such ten (10) days and such plan is acceptable to Buyer's Authorized Procurement Representative; or (iii) in the event of Seller's bankruptcy, suspension of business, insolvency, appointment of a receiver for Seller's property or business, or any assignment, reorganization or arrangement by Seller for the benefit of its creditors.

- b. Seller shall continue work not canceled.
 - c. Buyer may require Seller to transfer title and deliver to Buyer, as directed by Buyer, any (i) completed Goods, and (ii) any partially completed Goods and materials, parts, tools, dies, jigs, fixtures, plans, drawings, information and contract rights (collectively, "Manufacturing Materials") that Seller has specifically produced or acquired for the canceled portion of this Contract. Upon direction from Buyer, Seller shall also protect and preserve property in its possession in which Buyer or its Customer has an interest.
 - d. Buyer shall pay the Contract price for Goods accepted. In addition, any payment for Manufacturing Materials accepted by Buyer and for the protection and preservation of property shall be at a price determined in accordance with the "Termination for Convenience" article of this Contract, except that Seller shall not be entitled to profit. Buyer may withhold from any amount due under this Contract any sum Buyer determines to be necessary to protect Buyer or Buyer's customer against loss because of outstanding liens or claims of former lien holders.
 - e. If, after cancellation, it is determined that Seller was not in default, the rights and remedies of the Parties shall be as if the Contract had been terminated according to the "Termination for Convenience" article of this Contract.
22. **Disputes.** The Parties agree to make every effort to resolve disputes through communication amongst the Parties. The following steps shall be taken to resolve any disputes: (1) oral communication between the Parties; then (2) the aggrieved Party shall notify the other Party in writing as to the dispute with 30 days to resolve; if not resolved then (3) either Party may seek redress in any court of competent jurisdiction. Pending final resolution of any dispute, Seller shall proceed with performance of this contract according to Buyer's instructions so long as Buyer continues to pay amounts not in dispute. Notwithstanding the foregoing, this Article shall not prohibit either Party from instituting litigation to preserve any statutory rights or seeking an injunction to prevent a breach or violation of a Party's rights under Article 17, Confidentiality.
23. **Buyer's Employees.** For the term of this Contract and 12 months following its expiration or termination, Supplier shall not employ or retain as an independent contractor any employee of Buyer without Buyer's consent.
24. **Buyer's Property.** Seller shall clearly mark, maintain an inventory of, and keep segregated or identifiable all of Buyer's property and all property to which Buyer acquires an interest by virtue of this Contract. Buyer may require that a Bonded Stores Agreement be executed between the Parties. Seller assumes all risk of loss, destruction, or damage of such property while in Seller's possession, custody, or control, including any transfer to Seller's subcontractors. Upon request, Seller shall provide Buyer with an inventory of the property and adequate proof of insurance against such risk of loss. Seller shall not use such property other than in performance of this Contract without Buyer's prior written consent. Seller shall notify Buyer's Authorized Procurement Representative if Buyer's property is lost, damaged, or destroyed. As directed by Buyer, upon completion, termination, or cancellation of this Contract, Seller shall deliver such property, to the extent not incorporated in delivered Goods, to Buyer in good condition subject to ordinary wear

and tear and normal manufacturing losses. Nothing in this article limits Seller's use, in its direct contracts with the Government, of property in which the Government has an interest.

25. **Financial Records & Audit.** Seller shall retain all records and documents pertaining to the Goods for a period of no less than four (4) years after final payment. Such records and documents shall date back to the time this Contract was issued and shall include without limitation, catalogs, price lists, invoices, and inventory records for purposes of verification of prices or rates charged by seller for Goods procured by Buyer. Buyer shall have the right to examine, reproduce, and audit all such records related to pricing, incurred costs and proposed costs associated with any proposal (prior to or after contract award), invoices or claims.
26. **Force Majeure.** Seller shall not be liable for excess re-procurement costs pursuant to the "Cure & Default" article of this Contract incurred by Buyer because of any failure to perform this Contract under its terms if the failure arises from causes beyond the control and without the fault or negligence of Seller. Examples of these causes are:
- a. acts of God or of the public enemy;
 - b. acts of the Government in either its sovereign or contractual capacity;
 - c. fires;
 - d. floods;
 - e. epidemics;
 - f. quarantine restrictions;
 - g. strikes;
 - h. freight embargoes; and
 - i. unusually severe weather

In each instance, the failure to perform must be beyond the control and without the fault or negligence of Seller. If the Seller's failure is caused by the failure of a subcontractor of Seller and if such failure arises out of causes beyond the reasonable control of both, and if such failure is without the fault or negligence of either, Seller shall not be liable for excess re-procurement costs unless the Goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Seller to meet the required delivery schedules. Seller shall notify Buyer in writing within ten (10) days after the beginning of any such cause(s). In all cases, Seller shall use reasonable efforts to avoid or minimize all such failures, including exercising work-around plans or obtaining the Goods from other sources.

27. **Severability.** If any provision of this Contract shall be deemed to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

No purported assignment, with or without Buyer's consent, shall relieve Seller of any of its obligations under this Contract or prejudice any rights or claims that Buyer may have against Seller, whether such obligations, rights or claims, as the case may be, arise before or after the date of any purported Assignment; provided however, that Seller may assign its right to monies due or to become due under this Contract, and this Article does not limit Seller's ability to purchase standard commercial supplies or raw materials in connection with its performance of this Contract.
- b. For the purposes of this Contract, the term “Change of Control” shall mean any of the following, whether in a single transaction or a series of related transactions and whether or not Seller is a party thereto:

 - ii. any consolidation or merger of Seller or its controlling affiliates, any dissolution of Seller or its controlling affiliates, or any reorganization of one or more of Seller or its controlling affiliates; or
 - iii. any sale, transfer, issuance, or disposition of any equity securities or securities or instruments convertible or exchangeable for equity securities (collectively, “securities”) of Seller or its controlling affiliates in which the holders of all of the securities that may be entitled to vote for election of any member of a board of directors or similar governing body of Seller or such controlling affiliate immediately prior to such transaction(s) holds less than fifty percent (50%) of the securities that may be entitled to vote for the election of any such member in such entity immediately following such transaction(s).
