

### **RITA MCMULLEN**

Chief Financial Officer

*M.B.A., Webster University*

*B.S. Accounting, Missouri State University*

Rita McMullen is the Chief Financial Officer for Insitu. In this role, Rita will lead Insitu's Finance organization with oversight for contracts, financial planning and accounting. Prior to joining Insitu, Rita was president and chief executive officer for Boeing Intelligence & Analytics (BI&A), which is responsible for the development and integration of systems that provide innovative technical signals intelligence (SIGINT), cyber solutions and advanced analytic capabilities for more effective intelligence planning and analysis.

Rita started at Boeing in June 1997 as a staff accountant in cost accounting. Until 2014, she was located in St. Louis, Mo. and worked within Boeing Defense, Space and Security (BDS) and Engineering, Operations, and Technology (EO&T) finance where she took on roles with increasing responsibility. In 2014, she moved to the Potomac Region to support the intelligence community. She was named BI&A chief financial officer when it was formed in January 2016. She held this position until becoming president and CEO in April 2017.

Rita holds a bachelor's of science degree in accounting from Missouri State University and a master's in business administration from Webster University.
