

Thank you for interest in Insitu, Inc.

Insitu's Supplier Management & Procurement (SM&P) group maintains in-depth experience and exposure within the market-place for our products and services. Although we currently have qualified suppliers for the numerous commodities and services that we procure, we regularly review new suppliers for potential business endeavors.

Here is the normal process when a potential new supplier desires to do business with Insitu:

- Fill out the attached form and return it to Competition.Advocate@insitu.com.
- Include any other electronic information that would assist in our review.
 - Brochures
 - Line cards
 - Equipment and Capabilities list
 - Technology list
 - Customer/Supplier References
 - Other product and service information
- Submit your information only once, *annually*.
- We do not accept hardcopies of brochures, unless requested, please honor this request to help keep our business green.

If your company is selected as a potential supplier for Insitu, a SM&P professional will request execution of a Propriety Information Agreement (PIA) and other required Supplier information. Insitu SM&P personnel are the only *Authorized Agents* of Insitu that can contractually commit to suppliers.

Best Regards,

Supplier Management
